

# Standing Against Gun Violence

## Congressman Donald Norcross fights for common-sense gun safety measures

- ✓ Supports strengthening **background checks** nationally
- ✓ Supports the restoration of the **assault weapons ban**
- ✓ Supports closing the **gun show loophole**
- ✓ Supports stopping **domestic abusers** & people with **restraining orders** from purchasing firearms
- ✓ Supports ending the ban on conducting **research on gun violence**, known as the Dickey Amendment
- ✓ Supports cracking down on illegal **gun trafficking**
- ✓ Supports “**No Fly, No Buy**” to stop suspected terrorists from buying weapons
- ✓ Supports banning “**bump stocks**,” which make non-automatic weapons capable of automatic fire

## Congressman Donald Norcross opposes measures to make mass shootings easier

- ✗ Against attempts to make **silencers** more accessible
- ✗ Against **conceal carry reciprocity**

...and more

“

When I offer my thoughts and prayers after a tragic mass shooting, I know that is not enough. I will continue to fight to bring gun safety measures up for debate and for a vote.

Many of my colleagues in Congress have chosen to listen to the NRA instead of the American people, so I ask: Do we represent the NRA or the USA?

Our children’s lives depend on us standing up for gun safety.

”

- **Congressman Donald Norcross**
